The first International Day of Rural Women was observed on 15 October 2008. This new international day, established by the General Assembly in recognizes "the critical role and contribution of rural women, including indigenous women, in enhancing agricultural and rural development, improving food security and eradicating rural poverty."

In this community, we must acknowledge the vital role women play in primary industries. They are often the backbone of the economical and social fabric of a community. Research shows that women in rural areas have the highest rate of workforce participation of all Australian women aged over 35. One in four rural women is self employed, and many Australian women are running and operating successful farms and rural businesses.

We would like for rural women to receive recognition for the challenges of rural life, in particular, the isolation they face and often the lack of opportunity. These women’s vital contribution often goes unnoticed. Women’s roles in rural Australia are changing.

We remember the pioneering names like Elizabeth Crisp, Elaine Schofield or Mary McEvoy, the Women’s Land Army, women Aboriginal elders, members of the CWA (who have supported and encouraged one another, recognised achievements and ensured that education for young and old was always on the agenda), View and Probus Club members, as well as women currently working for the Community Chest and fund-raisers such as the Fashion-ation and the McCr Garden Party.....the list goes on and on.

We salute the women on the Monaro!

Congratulations to the students who took on the challenges associated with horse-riding during the last holidays. There is a detailed report inside the newsletter supplied by Kylie Douch on the Berry Interschools’ Gymkhana.

Shelley Kleven at the Werribee National Interschools Equestrian Championships was also a worthy representative for St Patrick’s, coming home with ribbons at the end of each day’s competition.

Next week students in Years 5, 6 and 9 will be taking their learning outside the classroom to their campsites. There certainly will be challenges and I encourage all of the students to embrace these as part of their learning. These camps are a formal part of what we offer at St Patrick’s and it is an expectation that all students attend.

Please consider being part of the St Patrick’s team for Relay for Life. This year, we will be particularly honouring and remembering Sabina Kovats, our Visual Arts teacher who died in June. Get your walking shoes on and join us!

Kind regards

Dear parents and students

End of year Awards
In the next few weeks, information about the criteria for awards will be published in the newsletter. There will still be opportunities for students to demonstrate why they should be considered for an award.

The process we use to determine award recipients is initially collaborative, but voting takes place individually and in private.

- Staff have the opportunity to list why a student should be considered for an award. This is done online, so that our part-time staff have the opportunity to comment. We use this collaboration so that all staff can read the case for each student to make an informed judgement. I would like to stress this part of the process builds the case for the student. There is not an option to recommend why a student should not receive an award.
- An online survey is then set up and staff vote individually on who they believe should receive an award. I set up and administer the survey. The results are then presented to the Principal.

The Principal ultimately determines all award recipients. In most cases, there is a clear recipient. If voting is very close, further information may be sought.

I would be happy to discuss any aspect of the process with students or parents.

Do your best
In conversations with parents and employers it is the comment from the teacher, on the report, that draws the most attention. In almost all cases, parents and employers want to know if the student is doing their best. Doing your best includes concentrating in class, allowing others to learn, completing all set tasks, bringing the correct equipment and engaging in each lesson. I would like to remind students that all these factors are determined by the choices you make in each lesson. Therefore, even if you do not receive the top results, you still have a large degree of influence on the comment that a teacher writes on your report.

Year 9 Camp
Thank you to the Year 9 students for responding so well to the Year 9 camp.

Scholastic Book Club

Scholastic Book Club is back and is on a mission to make it easy!

Bringing Book Club and the joy of reading to all will take less time and be easier for everyone.

Soon the new platform will feature online ordering and payments for parents. The school will still receive the same 20% in Scholastic rewards for all orders.

We are unable to deal with cash for now on.

Payments may be made on card or by cheque and the details are on the back of each catalogue.

Please return the orders to your classroom teacher by Wednesday 22 October 2014.

We are looking forward to supporting this worthwhile way of encouraging reading.

Can you look in your cupboards?

The Committee members of the are seeking donations of preloved novels/quality books, handbags, hats & fascinators, so if you have any you would like to donate please leave them at the office or contact Karen McGufficke at kmcgufficke@boyceca.com.

Rotary Club of Cooma
As a special commemorative day to celebrate the contribution to Visual Arts by Sabina Kovats, we are inviting all students and staff to come to school dressed in bright colours on Friday 24 October. This will be a chance to support Relay for Life with a gold coin donation. Mrs Kovats was very committed to Relay for Life. We will remember her in a colourful way!

Students can try to wear as many colours as possible. There will be lunchtime activities organised by the student leadership team and prizes for the most colourful costume.

The gold coin donation will be collected in the morning in classes and in Home-room.
On horseback….at Berry Interschools Gymkhana

Over the October long weekend seven equestrian riders from St Patricks Parish School travelled to Worrigee (South Nowra) to compete at the 2014 Berry Interschools Gymkhana. Three intense days of competition took place and included events in the individual disciplines of dressage, hacking, sporting, showjumping, hunter and working equitation.

All seven St Pats riders presented well and were amazing ambassadors for their school. There was team spirit aplenty with riders providing support and assistance to each other throughout the competition - the most senior down to the most junior.

As happens in any sport, some riders were affected by circumstances out of their control and it could well be said that the actual results don't necessarily reflect how all our riders performed but it certainly did reflect a high level of sportsmanship, good grace and team loyalty.

Well done to all St Pat's riders and we are looking forward to the next event!

Individual results were:

MAEGAN McCRAW – Year 10
4th Secondary Working Equitation; 3rd One Flag Race; 4th Scudahoe Race; 4th Western Bend Race

On horseback....at the 2014 National Interschools Equestrian Championships

Shelley Kleven, in Year 4, travelled with her parents, Kim and John, her brother Jack and her pony Amaranda Moet, to Werribee near Melbourne for the 2014 National Interschools Equestrian Championships. Shelley was our State representative for New South Wales. At Werribee, Shelley and Moet competed over four days of competition in events which included dressage, and working hunter classes.

The Nationals was run like the Olympics with opening and closing ceremonies, athletes parading in their State's uniform, and award winners receiving their ribbons on a podium at the end of each day of competition.

Shelley was up on the podium to receive a 4th in the Led Component of the Primary Working Hunter, a 6th in the Rider Class component of the Primary Working Hunter, a 5th in the Primary Preliminary Dressage 1.2 and being a member of the NSW Primary Dressage Team, she was awarded the Reserve Champion Team sash. These results are thrilling for Shelley who is only 10 years old and was competing against primary school riders up to two years older than her.

Shelley proudly showed her peers the ribbons and saddlecloth she won at the Nationals.

Although the 2014 interschools' gymkhanas are now just a memory, all the students involved are busy planning for Berry 2015.
A little pat on the back...

Dear St Patrick's School,

I recently attended your amazing production of "Oliver".

Your production was outstanding, innovative and very entertaining. I was impressed with the amazing talent on stage and I must acknowledge the unseen Production Team. I felt it was a great acknowledgment that your back stage crew were part of the "bows" proving that the entire production was part of a team.

I have worked backstage on a voluntary basis in over 100 musical productions and have worked in 2 live theatres and have seen hundreds of professional and amateur productions and I would say that St Patrick's production of "Oliver" was brilliant and very entertaining.

I look forward to your next production in 2015.

Regards,
Darryl Fry

Secondary Curriculum Matters

Assessment matters

Students have always had the opportunity to ask teachers for an extension for an assessment task or for consideration to be given for a task completed while they were ill, injured or experiencing some misadventure. This process has now been formalised with forms available for students to fill in as required. Last week I spoke to students about the process and each student received a copy of the forms. If you have any further questions please contact me at the school.

Literacy and numeracy tests for students leaving school

Students intending to leave school can take optional online literacy and numeracy tests. The tests are for students who intend to leave school before completing their HSC. They are designed to show an overview of a student’s level of achievement in these areas. If you think this applies to your child, could you contact me at the school prior to 17 October.

Electives for Stage 5 2015

This week Year 8 students will move into the second phase of selecting their electives for next year. After submitting their ‘wish list’, we have designed the possible curriculum layout for 2015. Forms will be given to the students to complete their preferences. These will need to be returned promptly to the office.

Year 10 matters

This week the Year 10 students will receive a letter regarding all of the activities, permission notes and costs for the end of year activities and farewell celebrations.

Science with Year Seven

Friday’s Year 7 Science lesson created plenty of interest and lots of volunteers when students were able to show off their whip cracking skills. The Year 7s have been learning about sound energy. The purpose of the whip cracking lesson was to give students the opportunity to observe the speed of sound. Once we had selected our champion whip crackers, Clayton Miners, Bailey Rogers, Remy Oldrey, Will Pendergast and David Constance, the boys with the stock whip were given their marching orders to head down to the stables at the other side of the showgrounds. From where the rest of the class were standing up near the main gates, this was a distance of 330m. When the boys took turns to crack the whip, the rest of the students used stopwatches to time the interval between when we could see the whip being cracked until when we could hear it. How long did the sound take to travel across the showgrounds? Yes, exactly one second. We then discussed how we can tell how far away lightning strikes if we time the interval between seeing the lightning and then hearing the thunder. Just say the time between the lightning and the thunder is 6 seconds. How far away did the lightning strike? (Ask a Year 7 if you want to check if your answer is correct!)

Awards Day Donations

Our Annual Awards Days are fast approaching. If you would like to make a fully tax deductible donation towards this year’s Awards Days to assist in the purchase of trophies and awards, please send your donation into the school in a clearly marked envelope. A receipt will be issued and all donors will be published in the Awards Day Booklets. Thank you in anticipation of your support!
Canteen News

It's great to be back and as you will see there are a few changes to the Term 4 price list which is attached and available to view and print from the school website. Don't forget that you can order the reusable lunch bags this term too - the form to order the bags is also on the website.

**PLEASE ENSURE YOU ARE USING THE NEW PRICE LIST WHEN PLACING YOUR ORDER. THANK YOU!**

A big thank you again to everyone on the canteen volunteers' roster for Term 4, the next couple of weeks are as follows:

- **Thursday 16/10/14:** 10am Kim Kleven
- **Friday 17/10/14:** 10am Kelly Gill
- **Wednesday 22/10/14:** 10-11.30am Linda Quodling
- **Thursday 23/10/14:** 10-11.30am Lisa Walsh & 12-1.30pm Melinda Barrett
- **Friday 24/10/14:** 10am Sara Souter & 12.30-1.30pm Howard Brown

Congratulations to Molly Brabham in 4M who received the canteen award last week. Molly loves the St Pat's Pasta and is consistently making healthy choices with her lunch orders. Well done!!

This Friday the meal deals are:

- **Chicken Nugget Snack** (2 nuggets with salad) + Small Garlic Bread + Apple + Drink = $6
- OR
- **Toastie** (chicken, ham or tuna with cheese) + Apple + Drink = $5

Please don't hesitate to contact me at the school if you have any feedback or would like to come and help!

Something to think about....

House Rules is back for another series and we are looking to assist a family with a complete home renovation.

They are looking for a deserving family – good Samaritans, Aussie battlers, community contributors (fireys, ambos etc.) – with a house which has been damaged by weather, natural disaster or just needs renovation which the family can't afford.

Ideally:

- The family are owner-occupiers.
- The home is the family's primary residence.
- The home is freestanding and not on a busy road.

A community building would also be considered if you know of one of those that fits the bill. If anyone knows of an appropriate family, we now have a nomination form online: [https://go.mycastingnet.com/Apply/Show/HR3Hero](https://go.mycastingnet.com/Apply/Show/HR3Hero) Alternatively, if you would like to discuss this project further Rachel can be contacted on 02 9877 7223 or email rokeffe@seven.com.au.

This is a very exciting opportunity for the chosen family. **Applications close Friday 31 October.**
**Another pat on the back...**

I just wanted to let you what a wonderful experience we had as the family of ‘Oliver’ (Alexander Smith). Alex loved every second of the role, from auditions, rehearsals to the live shows. He worked really hard and we were really proud of his dedication to the role. Working with Suzanne Stacey and Alyson Hulley was a wonderful experience – Alex learnt so much from them and they kept us (the parents) in the loop at all times.

We thought the shows were fantastic and a credit to the whole cast and crew involved.

All in all it was a great experience for our whole family and we passed on our Thanks to Suzanne Stacey for giving Alex this wonderful opportunity as the lead role - it has definitely ignited a passion within him.

Kind Regards

Donna & Sean Smith

**Relay for Life**

**SATURDAY 25 TO SUNDAY 26 OCTOBER 2014**

**ROTARY OVAL COOMA**

JOIN THE ST PATRICK’S PARISH SCHOOL TEAM!!!

**What is Relay For Life?**

Relay For Life is a chance for communities to recognise and celebrate those who have overcome cancer or are undergoing treatment, as well as the people who care for them. Relay also provides an opportunity to celebrate the memory of loved ones lost to cancer.

Each Relay For Life event is organised by a local volunteer committee on behalf of Cancer Council. Teams of 10–15, which are headed up by a team captain, get together and fundraise year-round. Everyone then meets at the Relay to celebrate the amazing fundraising achievements of the past year. Teams participate in a relay-style walk or run, challenging themselves to stay on the track overnight. Each event is unique and you can stay for the whole event and camp overnight, enjoy the fun activities and attend the moving ceremonies that make Relay For Life so special.

Put your thinking cap on to plan your team theme, campsite decorations and costumes. It all adds colour to the event. While its not compulsory to dress up, many teams do. From superheroes of hope to clowns, pirates and space outfits, dressing in theme is a great way to get your team having fun.

Each person on the team pays a registration fee, which includes a shirt. There are no age limitations or fitness requirements – Relay For Life is suitable for everyone. St Patrick's Parish School has registered a team this year. To join in the fun, please visit:

**Why do we Relay?**

Thousands of Australians participate in over 200 Relays across Australia each year. Some people Relay in memory of a loved one lost to cancer. Some do it to show how proud they are at having survived cancer. Some do it to show they are strong enough to beat cancer. And some simply want to be involved and make a difference. Whatever your reasons, you’ll never forget your first Relay experience! You can read personal stories from Relayers to find out more.

Relay participants are encouraged to fundraise in the lead up to the event, with all money raised supporting the Cancer Council’s vital research, prevention and support services.
Look who is our latest up-coming designer...

Charly Thorn (second from left in the front row) is pictured here in the advertising for FASHION-ation, as one of the local designers ready to display her work. Charly is in Year 10 at St Patrick’s and has already designed a substantial portfolio of beautiful outfits.

Cooma Colts’ Oztag

Cooma Colts’ Oztag will be running every Thursday, 4.30pm to 5.30pm at the Nijong oval. All players will be put into teams and have a fun game of Oztag. The cost is $10 per person for children from Kindergarten to Year 6. If you have a child starting school next year they can also join a team - a great way to meet new friends. We hope to see you there!

Cricket

Junior Cricket and Milo In2cricket are both being held on FRIDAY AFTERNOONS this season.

Registration day for Junior cricket is on Friday 24 October from 4pm-6pm at Nijong Oval, Cooma. Rego is combined with a “come and try” day so kids can have a casual game at the same time. The Junior comp gets underway on Friday 31 October. Rego for Junior comp is $60 per child or $50 for families with multiple registrations.

Cooma Milo In2cricket (4:30pm Nijong Oval) and Berridale Milo In2cricket (4:00pm Ray Goodman Oval-Berridale) gets underway on Friday 7 November. The cost is $65 per child and includes a great cricket starter kit. Register online at www.in2cricket.com.au or at the Nijong registration day (24 Oct).

On Friday 31 October there will be a training session and game demonstration for In2cricket volunteers and parents at Nijong Oval from 5:30pm-6:30pm and for the junior cricket parents and coaches there will be an introduction to scoring and umpiring from 6:30pm-7:30pm. A BBQ to welcome in the new cricket season will follow the first afternoon matches and demonstrations and all parents, volunteers, players and supporters are welcome.

We’re hoping for a cracking season of cricket and look forward to lots of local children participating.

For any further info please contact Ben Hearn 0416258422 or benjaminhearn@yahoo.com.au
Cooma Lambie Street Preschool will be having a “Come and See Open Week” from 20 to 24 October 2014, which coincides with National Children's Week. The preschool will be open to the public each afternoon between 2pm -3pm. This is a chance for new families and future enrolments to come and see what happens at preschool and talk to the staff about early childhood education. Enrolments are currently being taken for the 2015 preschool year for children eligible to commence primary school in 2016 (i.e. children who will turn 5 years of age prior to 31 July 2015). Enrolment forms can be obtained from the preschool office. For more information, please contact the preschool on 6452 2669
