LITERACY ENRICHMENT – READING EGGS / READING EXPRESS

Dear Parents/Carers of Kindergarten to Year 4 children,

**Reading Eggs** is an online literacy resource where children develop their reading skills and strategies. It supports each child’s learning by offering individual lessons that allow your child to progress at their own rate, complimenting reading instruction that is currently being delivered at school. This program uses Australian voices, interesting graphics, songs, awards certificates and reward tokens to keep students engaged. The learning focuses on building reading fluency and comprehension, spelling, vocabulary and a range of writing skills including grammar and punctuation. To have a look at this site, go to [http://readingeggs.com.au](http://readingeggs.com.au)

**Reading Eggspress** (which is included in the Reading Eggs subscription) makes reading books and improving spelling skills highly engaging for 7-13 year olds. The Reading Eggspress website has an enormous range of learning resources, lessons, motivational games and e-books. The books and lessons cover the Year 2 to Year 6 reading curriculum using fiction and non-fiction texts. **Reading Eggs** and **Reading Eggspress** have a comprehensive reporting system that tracks student’s progress, allowing students and parents to clearly see achievements. To have a look at **Reading Eggspress** go to [http://readingeggspress.com](http://readingeggspress.com)

Normally, a private subscription would cost $79.95 for 12 months. We would like to offer students who do not have a current subscription to **Reading Eggs / Reading Eggspress**, a special school subscription price of $10.00 for 5 months. This subscription will expire on June 28th 2015. If you would like to have this resource for your child to use at home, please complete the form below and return to school by **Monday 23rd February** with correct money in an envelope.
