Students will be asked to provide some items of costuming such as shoes and items of clothing that can be borrowed or bought easily and at low cost from commercial outlets.

A school musical is a massive undertaking and takes many hands to create. If you are able to offer parental assistance in any area, including costuming, front of house, cast supervision etc. please could you email Mrs Stacey with offers of help at suzanne.stacey@cg.catholic.edu.au.

If you would like your child to be part of the musical, please return the agreement slip below. This must be returned by Friday 9 June.

Yours sincerely
