

St Patrick's Parish School, Cooma

.A School With .Altitude

27 November 2017

Dear Parents

The purpose of this letter is to determine the level of interest in a proposed 'Altitude Experience' for the Year 8, 2018 students.

Each year, we try to listen to the students and this year, the current Year 7 students have presented a very persuasive argument for undertaking an overnight camp in 2018.

As you would appreciate, all camps and out of school experiences must have a clearly defined learning experience. In looking at the curriculum, we can see a possibility for making good links to having an 'Altitude Experience' in the local mountains.

A key factor in all excursions and camps is the absolute cooperation of students, both before and during the camp. Their good choices and positive behaviour will ensure their inclusion in any planned experiences.

Preliminary planning suggests that the cost could easily be contained under \$200. This could cover the bus, accommodation and activities. We strongly encourage students to use avenues of fund-raising to minimise the overall cost for everyone.

Could you please complete and sign the slip below and return to the office as soon as possible, so definite planning can commence before the end of this school year. I am happy to discuss this with you, if you wish.

Yours sincerely

Frances Robertson
Principal
