Ascension Day marks the last appearance of Lord Jesus Christ to his followers after His resurrection at Easter. Ascension Day falls on the Thursday, exactly 40 days after Easter. It is believed that during the 40 days following his resurrection, Jesus appeared to many of his disciples and told them that He would always be with them and promised them the gift of the Holy Spirit.

INSPIRED BY OTHERS

This is the theme that we are using for the St Patrick’s Art Show to be held Friday June 12 and Saturday June 13. Our purpose is to celebrate the creative energy in our school, have an opportunity to build connections with our community and to continue to build our funds for the new building starting construction later this year.

What we will do: we will showcase some of the best artwork in our school and wider community, provide an interesting entertaining evening for adults on Friday (a delicious supper, a little music, a shared drink) and a family style gathering on Saturday (with BBQ – so you can purchase lunch on the way)... and give you the opportunity to shop for some great artwork as well. These could be investment purchases!

What you can do: Spread the news, book the date on your calendar, come and join in the fun with the committee, provide a prize for the raffle, and get your tickets for the Friday evening from the Office.

If you are an artist in any medium, you may like to consider preparing an artwork for exhibition at this show. For more details on outside entries, please refer to the information inside.

See you there!

Getting to know us...

We are very pleased to have the opportunity to show future families around our school. Although we have had formal Information Tours for 2016 families for Kindergarten and Year 7, there is always an open invitation for families to make an appointment to have a good look around our school. It's growing and changing all the time and a lot of lovely, exciting things happen inside the classroom doors. Please call the Office if you wish to come and see what is happening here.

Another great way to get to know the school is to be involved in activities like joining the Art Show Committee for their Friday afternoon gatherings, putting your hand up to be an official at the Athletics carnivals (and we always appreciate that support!) or joining Caroline in the Canteen for prepping and serving some great healthy food to our students. We love seeing parents supporting reading and writing programs in the Infants. We look forward to your involvement in the Bazaar at the end of the year.

Grandparents’ and Friends’ Day is coming up on Friday June 12. This is a great time for Infants children to ‘show off’ their work and walk through their classrooms. We hope family and friends can join us then for a shared lunch.

We are looking forward to meeting new families this term for their interview to come to St Patrick’s in 2016. The enrolment period is open and we are beginning the interviews next week. Appointments need to be booked at the Office on 64521721.

Do you have goods or services that you would be willing to give to St Patrick’s to form part of a large raffle to coincide with out Art Show? Please contact Melinda Barrett or the Office with your ideas or donations. We would really appreciate your support.

This is a place of learning

We currently have quite a number of staff who are undertaking additional post graduate studies. Learning doesn’t just happen within the four walls of a St Patrick’s classroom; it extends for the adults as well.

We are very pleased to congratulate Ms Danielle Trigg on her recent award of another degree. This is in addition to her Bachelor of Applied Science. Danielle brings many positive qualities to this school and her love of learning is one of them.

On Monday, 18 May 2015, we held our annual Primary Athletics carnival at Snowy Oval. The weather was magnificent, making for a perfect day, although setting up in minus 4 degrees was a challenge! A huge CONGRATULATIONS to all students who attended on the day. Your outstanding participation in all events and great house spirit is to be commended.

Thank you to house captains for their efforts with war cries, of which Ignis emerged the winner. We trialled a new novelty event, “the Hyena House Hustle” which was also won by Ignis with 154 runs, although closely followed by Terra who were only 9 runs behind. The challenge is on next year for Aqua and Caelum to outdo this record!!

A special thank you to the Year 10 PASS students: Patrick Connolly, Andreas Nassar, Mollie Adams, Ashleigh Steinke, Madeleine Rooney and Maai Johnson. These students were outstanding in terms of their encouragement to the primary students and assisting staff/parents on the day, as well as at the end of the carnival with clean up and packing up of equipment.

I would also like to make mention of Quinton Stead and Tom Stead from the Little Athletics Club who voluntarily offered their assistance on both the Secondary and Primary Athletic carnivals. We were most grateful for their experience, instruction and encouragement to all the students who competed in Shotput.

I would like to take this opportunity to thank all the staff and the wonderful parents who assisted on the day to act as officials. Thank you to Caroline Blyton and the ladies in the canteen who kept student’s energy levels at their peak throughout the day and to Mollie Adams and Ashleigh Steinke who were very efficient in organising morning tea for staff and parent helpers. The collective efforts of staff, parents and students contributed to the success of the carnival. Without your support, the carnival would not have run efficiently.

Well it's that time of year again when our school seriously starts talking about walking! Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn't realistic for many of us, it's quite easy to figure out how you can building a walk into your family's daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from the school and walk the rest of the way.

Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes, it also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

Remember, Active Kids are Health Kids. So get planning your own Walk Safely to School Day journey for Friday 22 May 2015 or join the school—meet at Centennial Park at 8.20 am!
